BRINGING THE WORLD OF INTERIOR DESIGN INTO YOUR HOME

JOYCE HORN UNLOADING DAY

For the past 25 years, designers in the know have considered Joyce Horn one of the best sources for French antiques with style, quality, and affordable prices. Loyal designers and their clients gather at Joyce Horn Antiques, Ltd. for her unloading sales. With a prompt 10:00 A.M. opening, shoppers hope for first dibs on the newest shipment of goods arriving from France which roll in every six to eight weeks.

Inventory is ever changing, with regular shipments from Paris and the provinces. With examples of classic Gallic craftsmanship, the shipments include armoires, buffets, tables, chairs, and a large selection of mirrors. Her specialty is definitely French, interspersed with samplings from Spain, Italy and Sweden.

You may have to look, but it is well worth the effort to find her shop. Located in the West Ten Business Center at 1022 Wirt Road, Suite 326, just outside the 610 loop on I-10 West.

Notice of new shipments and current inventory is posted on the web site at joycehornantiques.com or you can give them a call at 713-688-0507. Closed on Sunday and Monday, the shop is open Tuesday through Saturday, 10:00 A.M. to 5:00 P.M.

Joyce and her husband, Will Horn work together with their daughter, Reid. Joyce's manager, Chris Prewitt rounds out the great staff. She also employs in-house people to restore and clean the furniture before it leaves the shop.

"I really have loved this business. It's provided a creative outlet for me over the years. Of course, the real pleasure has been dealing with designers and clients with a similar vision, who understand that quirky can be beautiful, that patina can refer to a peeling finish and that some pieces can be appreciated just for fun. It is really amazing to me that I now have the children of customers as new customers...how quickly time passes when you're having fun!"
